The Injunction Dissolved.

Yesterday Judge Paul held a special
session of the circuit court, at which
the injunction heretofore granted in
the case of H. H. Hornbrook and
another vs. the town of Elm Grove,
was dissolved. The plaintiffs will ap-
pear to the supreme court.

The Wechsel Case.

The case of Dr. Hyman Wechsel, ac-
cused of abortion, was finished yester-
day afternoon at a late hour. All of
the attorneys made strong speeches.
The jury was out till 9 p. m., when, as it
had not yet arrived at a verdict court
was adjourned until this morning.

They are Going Fishing.

To-day C. E. Van Keuren, Will Mc-
Kelvey, Harry Vogel, W. T. Burt and
Mr. Battell will leave for Romney,
where they will take wagons and drive
over to an unfrequented part of the
South Branch, where they expect to
spend two or three weeks fishing. They
will be sure to have an enjoyable time
and catch lots of fish.

For County Commissioner.

B. W. Merchant, the well known
liveryman, is being pushed by his
friends for the Democratic nomination
for county commissioner from Clay
district. He would make a creditable
nominee, and the party could not do
better with the material offered it so far,
than to put him on the ticket. He is
popular, and would make a strong run.

Home from the Wacht am Rhine.

City Clerk Thoner got home yester-
day from the Wacht am Rhine fishing
club's camp at Nuzum's mill, near
Grafton, on the Tygart's Valley river.
He reports the boys all well and having
a good time, and will leave this after-
noon to rejoin them. The fishing
seems good, so far as the members have
had time to try it. A number of promi-
nent people will visit the camp on Sat-
urday.

A Serious Runaway.

Yesterday afternoon Anthony Green
was driving a horse belonging to George
E. Stifel and leading another belonging
to J. G. Dillon, when the latter fright-
ened at a passing tar boiler and jerked
the driver out of the buggy. The other
horse ran off and fell, breaking its
shoulder blade. It may have to be
killed. Both are fine animals. The tar
boilers ought not to be permitted to be
hailed through the streets in day time.

Transfer Recorded.

Clerk Hoek yesterday admitted to re-
cord transfers of real estate as follows:
July 16, by James T. Gibson and
wife to Mary E. Jones, wife of John T.
Jones, for part of lot 7 in Churchill's
addition; consideration \$400.
July 18, by W. J. W. Cowden, trustee,
to the Eagle Building Association, the
east half of lot 2 and the west half of lot 3,
on the north side of Eleventh street;
consideration \$700.

A History of the Old Pike.

G. Bowman Shorman, a nephew of
Col. T. B. Searight, author of the history
of the old National road, is here
looking after the distributing of that
book. He will be at the McLure house
for a few days. The book is one which
all residents along the old pike will
want to read. It is popular in style,
and the illustrations include many fami-
liar scenes along the road, portraits of
people prominent in its history, etc.

A Pleasant Birthday Party.

A pleasant social time was had at the
home of Miss Nellie Huggins on South
Eoff street. A joint birthday celebra-
tion was given in honor of Miss Carrie
H. Robinson, of Washington City.
Quite a number of friends of the little
folks gathered and spent the hours in
song and social games, and at a season-
able hour a nice lunch was prepared
for them, of which all partook heartily,
and when the time came to depart all
voiced that they had enjoyed a good
time, and the hours had passed alto-
gether too quickly.

Don't buy a blood-purifier because it
is "cheap." The best—the Superior
Medicine—Ayer's Sarsaparilla, is, in
the end, the cheapest blood-purifier in
the market. The ingredients of which
it is composed are the most expensive
and medicinally efficacious that can be
obtained.

THE GLASS STRIKE.

Proposed Changes in the By-Laws
of the U. S. Glass Company

CAUSED A FLURRY YESTERDAY.

It was rumored that the Powers of
President Daggaley would be lim-
ited and the Management of the
Strike Taken Out of His Hands—A
Settlement Was Considered Prob-
able—An Official Denies.

Yesterday the numerous stockhold-
ers in the United States Glass Company
in this city received a circular letter
from Pittsburgh, outlining certain pro-
posed changes in the by-laws of the
company, to be acted upon at the meet-
ing of the stockholders in Pittsburgh
July 24. It was asked that all stock-
holders be present or execute proxies, it
being considered important that all the
stock be represented.

One of the proposed changes is the
reduction of the number on the board
of directors from sixteen to seven.
Other minor changes were outlined,
and it was said on the South Side yester-
day afternoon that the changes
would operate to take from President
Daggaley much of the power that he now
holds in the big glass corporation, and
further, that the directors to be chosen
would be favorable to a compromise of
the differences existing at present be-
tween the company and the workmen's
organization, the Flint Glass Workers'
Union.

Manager August Frohme, of the
Hobbs plant in this city, was seen by
an INTELLIGENCER reporter last evening.
He stated that there is nothing of truth
in these suppositions; that the stock-
holders have plenty of confidence in
President Daggaley, and his power will
not be limited.

SQUIRE ARKLE RETURNS.

Released on \$1,000 Bonds Until Next
November Court.

Last night on the Baltimore and Ohio
cannon-ball train from Pittsburgh,
Squire George Arkle, accompanied by
his wife, returned from North Carolina,
where he was taken last week by Sheriff
McPhaul, of Columbus county, after
proceedings in the courts here that ex-
cited a great deal of interest at the time.
The squire was released upon furnish-
ing bail in the sum of \$1,000 for his ap-
pearance at the term of the North Caro-
lina court next November, when the
case will come to trial.

The train stopped at Elm Grove, and
there the squire and Mrs. Arkle left it.
They were received by a number
of friends there who escorted them
to their home, where an informal recep-
tion was held. A number of Mr. Arkle's
town friends, including P. H. Kimberly,
Charles J. Elig, and others went out last
night in Mitchell's big picnic wagon
and added their congratulations on the
squire's return.

The squire expressed himself as
heartily grateful for the consideration
extended him by the North Carolina
officers and court, and said that the
North Carolina people are as good as
any he ever mingled with.

Summer Complaint.

Last fall I was taken with a kind of
summer complaint, accompanied with
a wonderful diarrhea. Soon after my
wife's sister, who lives with us, was
taken in the same way. We used al-
most everything without benefit. Then
I said, let us try Chamberlain's Colic,
Cholera and Diarrhea Remedy, which
we did, and that cured us right away.
I think much of it, as it did for me
what it was recommended to do.—John
Hertzler, Bethel, Berks Co., Pa.
